HIGHLIGHTS FROM THE SPEECH GIVEN BY MRS. PREETHI ADHIHETTY, PRESIDENT OGA AT THE 106TH AGM HELD ON THE 17TH OF OCTOBER 2015

- Ladies' College is ranked as one of the best girls schools in the island, with our girls showing exemplary performance in academia and sport.
- Our teachers have always gone beyond the call of duty to teach us not only of subject matter, but indispensable life lessons.
- Our principal has many projects in the pipeline with regards to refurbishments and new buildings and we will fervently support her every endeavour.
- The President said that one of her aspirations is to construct a care centre for our old girls and past teachers and that she was certain that with the support of the membership she would achieve this objective.
- Financial assistance is one significant area which needs to be strengthened and she requested the continued support of the members in this area.
- Apart from financial aid, she sought the expertise of the membership. Skills, networking, commitment and most importantly participation of the members was of utmost importance to steer future projects to success.
- She called on the membership to actively participate in all OGA events and motivate her and the committee.
- A thank you was extended to our out-going President Mrs. Dharini Senananayake and her team for ably steering the association during her tenure.
- She said she was excited and looked forward to working with a versatile committee of young members and was confident that as a family, together, we would achieve our vision for our alma mater.

PRINCIPAL'S MESSAGE

Our Patroness Mrs. Eesha Speldewinde highlighted the following at the 106th AGM held on the 17th of October 2015.

- Present students have shown exceptional academic performance and significant achievements in the fields of sports and drama.
- Our School has moulded us to what we are today and we must be appreciative of this fact.
- We call for more enthusiasm, representation and support from old girls for school events.
- The demand for admission to LC is very high. At present the children of old girls are given admission to school without question. However we are contemplating the possibility of introducing a points system for admission.

- LC Cares will come under the OGA Trust and continue to do its good work.
